User Account Lock / Unlock

The image shows a web form for managing user accounts. At the top, there are two buttons: "Save" and "Cancel". Below these, the form contains several fields:

- A "Department" label followed by a dropdown menu showing "-- Primary account --".
- A "Profile" label followed by a dropdown menu showing "Source-to-Pay - Approver".
- A "Lock login" label followed by a checkbox. The checkbox is currently unchecked.

To the right of the "Lock login" checkbox, there is a text description: "Administrator can manually lock / unlock user's account".
